If there is no qualifying child, we will pay an additional \$1,000 to your beneficiary.

Conversion – If group accident coverage ends (except due to nonpayment of premium), your employment is terminated, membership in an eligible class is terminated, or insurance coverage is reduced based on attained age, you can convert to an individual non-term policy. To convert, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends. Dependents may convert their coverage as well if applicable. Premiums may change at this time, and terms of coverage will be subject to change. We/the insurance company will consider the duties of your occupations as those that are normally performed in the general labor market in the national economy. If you qualify for this benefit and have insured your spouse or children, the insurance company will also extend their coverage if applicable.

Waiver of Premium – If you become Disabled prior to age 60, and you remain Disabled continuously for a 9 month period and thereafter, you won't need to pay premiums for your life insurance coverage, provided we/the Insurance Company determine(s) you are Disabled. "Disabled" for this coverage means, because of injury or sickness, you are unable to perform the material duties of your regular occupation, or are receiving disability benefits under a program sponsored by your employer, for the first 12 months after your Disability began. Thereafter, you must be unable to perform the material duties of any occupation that you are or may reasonably become qualified based on your education, training or experience. If you qualify for this coverage and have insured your spouse or children, the insurance company will also waive their premium if applicable.

Accelerated Death Benefit – Terminal Illness – if two unaffiliated doctors diagnose you or your spouse as terminally ill while the coverage is active, with a life expectancy of 12 months or less, the benefit for Terminal Illness provides up to:

Employee: 75% of your Term Life Insurance coverage amount or \$225,000, whichever is less.

Spouse: 75% of your Term Life Insurance coverage amount or \$225,000, whichever is less.

Portability – If your employment is terminated, you can continue your life insurance on a direct-bill basis. Coverage may also be continued for your spouse/children. Premiums will increase at this time. Coverage can be continued to age 70, unless the insurance company terminates portability for all insured persons. Refer to your certificate for details.

Conversion – To convert, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends.

Child Cost Per \$10,000 Unit = \$2.000

Actual per pay period premiums may differ slightly due to rounding. Rates vary by age and may be subject to change in the future. Benefits will reduce based on age (see Benefits Reduction Schedule for details).

How to Calculate Your Monthly Cost:

Step 1: Use the chart above to find your **Monthly** rate based on your age as of your effective date.

Step 2: Multiply this rate by your desired coverage amount, in units. Reference the table above to find the appropriate unit amounts for employee and/or dependents.

Step 3: The result is the **Monthly** cost.

Important Definitions and Policy Provisions:

When Your Coverage Begins and Ends – Coverage becomes effective on the later of the program's effective date, the date you become eligible, the date your enrollment elections are received if applicable, or the date you authorize any necessary payroll deductions if applicable. Your coverage will not begin unless you are actively at work on the effective date. Dependent coverage, if applicable, will not begin for any spouse or child who on the effective date is an inpatient in a facility or is home confined and under the care of a physician. Coverage will end on the earliest of the date you are eligible for coverage under a plan intended to replace this coverage, you or your dependents if applicable, are no longer eligible, the group policy is no longer in force, or required premiums are not paid.

Benefit Reductions, Exclusions and Limitations:

Benefit Reduction Schedule - If you are still employed, your benefits will reduce to 65% at age 65 and 50% at age 70.

Exclusions - Voluntary life insurance will not be paid if you commit suicide, while sane or insane, within the first two years of coverage.

Limitations - The Accelerated Death Benefit is payable only once. Using this benefit reduces the life insurance death benefit. The amount payable under the Accelerated Death Benefit may be reduced by the amount of other benefits already paid to the insured under the policy. See your certificate for details. Benefits will be extended without premium payment until the earlier of the date you are no longer disabled, or the date you fail to qualify for Waiver of Premium or fail to provide proof of Disability. **Waiver of Premium** - After premiums have been waived for 12 months, they will be waived for future periods of 12 months if you remain Disabled. This benefit will remain active until age 65 subject to proof of continuing disability each year.

Guaranteed Issue:

If you are a new hire and you apply within 31 days after you are eligible to elect coverage for yourself, you are entitled to choose any coverage offered up to the Guaranteed Issue Amount, without providing proof of good health. If you apply for an amount of coverage greater than the Guaranteed Issue Amount, coverage in excess of the Guaranteed Issue Amount will not be issued until the insurance company approves acceptable proof of good health. If you apply for coverage for yourself more than 31 days from the date you become eligible to elect coverage under this plan, the Guaranteed Issue Amount will not apply, unless Guaranteed Issue has been approved by your employer for a specific period of time. Coverage will not be issued until the insurance company approves acceptable proof of good health.

These are summarized definitions only. To be eligible for coverage, the covered illness or event must meet the definitions and other terms and conditions set forth in the group policy.

THIS POLICY PROVIDES LIMITED COVERAGE. IT PAYS A FIXED BENEFIT AND DOES NOT COVER MEDICAL EXPENSES AS INCURRED. THIS IS NOT A SUBSTITUTE FOR COMPREHENSIVE OR MAJOR MEDICAL HEALTH INSURANCE. THIS COVERAGE DOES NOT SATISFY THE INDIVIDUAL MANDATE OF THE AFFORDABLE CARE ACT BECAUSE THE COVERAGE DOES NOT MEET THE REQUIREMENTS OF MINIMUM ESSENTIAL COVERAGE.

Terms and conditions of coverage for Term Life insurance are set forth in Group Policy No. SGM 611044. This is not intended as a complete description of the insurance coverage offered. This is not a contract. Complete coverage details, including premiums, eligible conditions, their respective payments and policy exclusions and limitations are contained in the Policy.
